TECHNICAL DRAWING AND RENDERING SKILLS

Jewellery Illustration and Design - Manuela Brambatti
Drawing for Jewelers - Maria Josep Forcadel
Drawing for Designers - Alan Pipes

CAD SOFTWARE

Rhino and Matrix are probably the most commonly used jewellery design packages - Matrix is a LOT more expensive, but Rhino is more 'affordable' at around £500. Do look out for free trials /& student deals etc.

Other options include; -

- Sketchup
- TinkerCAD
- Blender
- AutoCAD
- ZBrush
- JewelCAD
- 3Design
- Shapeways - www.shapeways.com/industry/jewelry also has some great resources - Shapeways are a 3D printing service where you can upload your designs and have them printed and mailed to you.
